## 90% say **YES** to Keeping Havering a Town and Country Borough!

Whilst **89%** say **NO** to Labour and Mayor Khan's concrete jungle 'London Plan'!

Our 'Summer Survey' has revealed that 90% of local people back the Conservative Action Team, Cllr. Robbie Misir, Cllr. Philippa Crowder, Cllr. Osman Dervish and Andrew Rosindell M.P. in their pledge to defend the 'Town and Country' character of Havering.

Local people in Marshalls Park, Rise Park and Gidea Park and across Romford, do not want to see Havering become just another part of the London sprawl and reject Mayor Khan and Labour's plans to build all over our green and pleasant borough, turning Romford into a concrete jungle!

Romford Conservatives agree wholeheartedly with local people and we will fight for all we are worth to Keep Havering as a Town and Country Borough!

However, Havering Council will obviously be obliged to grant some permission for future developments.

Cllr. Robbie Misir, Andrew Rosindell M.P., Cllr. Philippa Crowder and Cllr. Osman Dervish - fighting to Keep Havering a Town and Country Borough!

New homes must be built, but these should be high quality accommodation, with open spaces, that match the neighbourhood in which we live.

If Labour were to take control of Havering, backed by Mayor Khan, the urban sprawl that has ruined so many other towns closer to London would be imposed on the people of Romford and Hornchurch!

Romford Conservatives will fight to STOP LABOUR. We will defend our cherished green belt; oppose bad developments; uphold Romford's character as an Essex market town; and work all year round to

## LINTON COURT FLOODING

Following the recent heavy rain, some properties in Linton Court were flooded out. Philippa, Osman and Robby are working to try and alleviate future flood risk. Osman recently met with local residents along with the Havering Council's flooding officer to discuss working with them and Linton Court's management company.

## LOCAL DEFIBRILLATORS

Defibrillators can help save lives in the case of a cardiac emergency. Some local businesses and publicly accessible locations have defibrillators; however, these may not be registered. In order to help people find them when they need them, if you have a defibrillator, we would urge you to register it on the National Defibrillator Database – [nbdb.uk](http://nbdb.uk)

## SCHOOL STREETS CONSULTATION

In July, St. Edward's Primary School and St. Peter's R.C. Primary School were put forward for the School Streets programme. Consultation on this will start soon. Once the results are in, a decision on how to proceed will be made. If it goes ahead, then a design consultation will follow with an aim of implementation in January 2022.

Keep up to date with the consultations at <https://consultation.havering.gov.uk/>

## RISE PARK PARADE

Following discussions with business owners earlier this year about parking at Rise Park Parade, Philippa, Osman and Robby raised the issue with Council Officers to find a satisfactory solution.

Since then, a potential solution which retains free parking at the parade has been worked on by Council officers. Consultation on these proposals will launch this month.
