90% say YES to Keeping Havering a Town and Country Borough!

Whilst 89% say NO to Labour and Mayor Khan's concrete jungle 'London Plan'!

Cllr. Joshua Chapman, Cllr. Nisha Patel, Andrew Rosindell M.P. and David Taylor (St. Edward's Ward M.P.'s Co-ordinator) - fighting to Keep Havering a Town and Country Borough!

Our 'Summer Survey' has revealed that 90% of local people back the Conservative Action Team, Cllr. Joshua Chapman, Cllr. Nisha Patel, Andrew Rosindell M.P. and David Taylor (M.P.'s Co-ordinator) in their pledge to defend the 'Town and Country' character of Havering.

Local people in Romford and Gidea Park, do not want to see Havering become just another part of the London sprawl and reject Mayor Khan and Labour's plans to build all over our green and pleasant borough, turning Romford into a concrete jungle!

Romford Conservatives agree wholeheartedly with local people and we will fight for all we are worth to Keep Havering as a Town and Country Borough!

However, Havering Council will obviously be obliged to grant some permission for future developments.

New homes must be built, but these should be high quality accommodation, with open spaces, that match the neighbourhood in which we live.

If Labour were to take control of Havering, backed by Mayor Khan, the urban sprawl that has ruined so many other towns closer to London would be imposed on the people of Romford and Hornchurch!

Romford Conservatives will fight to STOP LABOUR. We will defend our cherished green belt; oppose bad developments; uphold Romford's character as an Essex market town; and work all year round to

KEEP HAVERING A TOWN AND COUNTRY BOROUGH!

LOWER THAMES CROSSING

Your M.P. and Councillors are urging Highways England to give a local resident discount for Havering residents using the Lower Thames Crossing when it is built. It is unfair that Havering residents are not being offered the discount, whilst other local boroughs are. "Offering a discount won't offset the fundamental impacts, but will at least mean that we are being treated equally", said David Taylor, M.P.'s Co-ordinator for St. Edward's Ward. Havering Council has officially withdrawn its support for the project.

FREE SWIMMING FOR SCHOOL CHILDREN

Havering council is now offering free swimming sessions for school children until Summer 2022. 60,000 free swims are available to book during all school holidays at both the Sapphire Leisure Centre in Romford and the newly opened Harrow Lodge Leisure Centre in Hornchurch. This is part of our commitment to the children of our borough, whose lives have been so disrupted by the pandemic.

SUPPORTING OUR YOUNG PEOPLE IN ROMFORD

Children in our care across Havering will now get free access to Council-run leisure facilities to help improve their wellbeing and fitness using the new 'Health and Beyond' pass. By giving them access to our world-class facilities, this is an investment in our young people, not only for now, but also for their future.

PLANNING APPLICATION ON CARLTON ROAD

Your local team have objected to planning application P0998.21. This application seeks to install a kitchen extraction system, to the rear of the now closed newsagent at 4 Carlton Road, for the purposes of cooking in a takeaway restaurant. Residents have clearly told us that this is not an appropriate location for a takeaway restaurant. Your Councillors will continue support you in fighting this proposal.
