London Elections Thursday 2 May 2024

Susan Hall
for Mayor
of London

Keith Prince
for London
Assembly

Susan Hall
for Mayor of London

Keith Prince
for re-election to the London Assembly

Stop Sadiq!

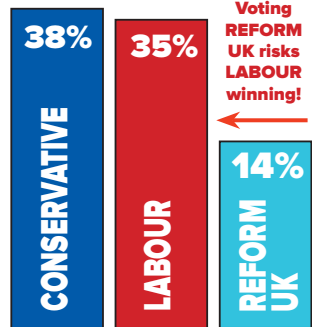

The long rule of the current Mayor London, Sadiq Khan, has been catastrophic for Havering! Khan appears to have no understanding about towns like Romford, which are not inner London. He has imposed policies that directly harm our borough, such as the ULEZ tax, his failure to give Havering the Police we need to combat crime and forcing us to build more and more dense and high rise flats in Romford. It really is time for a change in 'City Hall!' That's why everyone in Romford should vote for **Susan Hall** for Mayor on 2nd May and re-elect **Keith Prince** for the London Assembly, who will stand up for Havering. We need a new Mayor for Greater London who will be on our side and understands that places like Romford are completely different to central London!

You have **3 votes** on Thursday 2nd May to **STOP KHAN!**

Susan Hall X **Keith Prince** X **Conservative** X

The only way to **STOP Sadiq Khan and Labour** from winning in Romford is to **Vote Conservative on Thursday 2nd May**

Don't hand Romford over to Labour!

Keeping Romford and Britain safe!

Andrew Rosindell M.P.
Member of Parliament for Romford

2024 will be turning point for the United Kingdom and for Romford. The General and London Elections will shape our Nation and Capital for years to come.

In Romford, the choice is stark. Local people can either vote to keep an M.P. who is from **Romford** and loves **Romford** and who truly believes that Britain is still the greatest nation on the planet, or they can hand Romford and Britain over to a left-wing, woke obsessed, re-join EU, socialist party, that wants Romford to be just another urbanised part of 'East London', rather than the traditional Essex town we have always been.

A Labour M.P. in Romford would work hand in glove with Mayor Khan, obeying his every command. With Labour already jointly running our Town Hall and the Labour Mayor bossing us around from City Hall, there would be nobody left to stop Labour's left-wing agenda being imposed on us.

As your Conservative M.P., I am the only voice left who will oppose Labour's plans for Romford, but to be able to continue fighting to defend the interests of our town, I need your support at the forthcoming General Election.

The British people rejected Labour's dangerous left-wing policies when I was growing up in Romford under Margaret Thatcher and in 2024, we must do so again. Labour would quietly reverse **BREXIT**, taking us back under the control of European Union. Labour would derail the U.K.'s economic recovery, leading to higher unemployment and greater debts. Under Labour there would be zero chance of controlling immigration or stopping the illegal boats. Labour would also undermine our cherished British culture, traditions and way of life with their divisive, anti-British, woke agenda. **Labour must be stopped!**

As your M.P. for Romford, I will always stand up for our town in the House of Commons and defend the safety, security and prosperity of our great nation!

Andrew Rosindell

LOVE ROMFORD
RESTORING PRIDE IN OUR TOWN!

Andrew Rosindell M.P. is leading a new campaign to 'restore pride to Romford'! He recently launched his "Love Romford" initiative, having seen a worrying decline in our town centre, making it unrecognisable to most Romfordians! So many of our roads have been left to crumble; our streets and alleyways are full of litter; we see a concrete jungle of high-rise buildings going up, with so much of old Romford demolished to make way for flats. Romford Market is a very different place from the bustling Market that we all remember and the River Rom has become a litter filled swamp! Many local people do not venture into the town centre for fear of crime, with rough sleepers being common place. Our local Romford heritage is not cherished as it should be and we do not even display our historic town crest, which is a wonderful symbol of our town! This sorry situation does not reflect Romford's true character and its people. Things have to change and Andrew, as our M.P., is determined to lead the fight! **To support our M.P.'s "Love Romford" campaign, please e-mail Andrew at andrew.rosindell.mp@parliament.uk**
